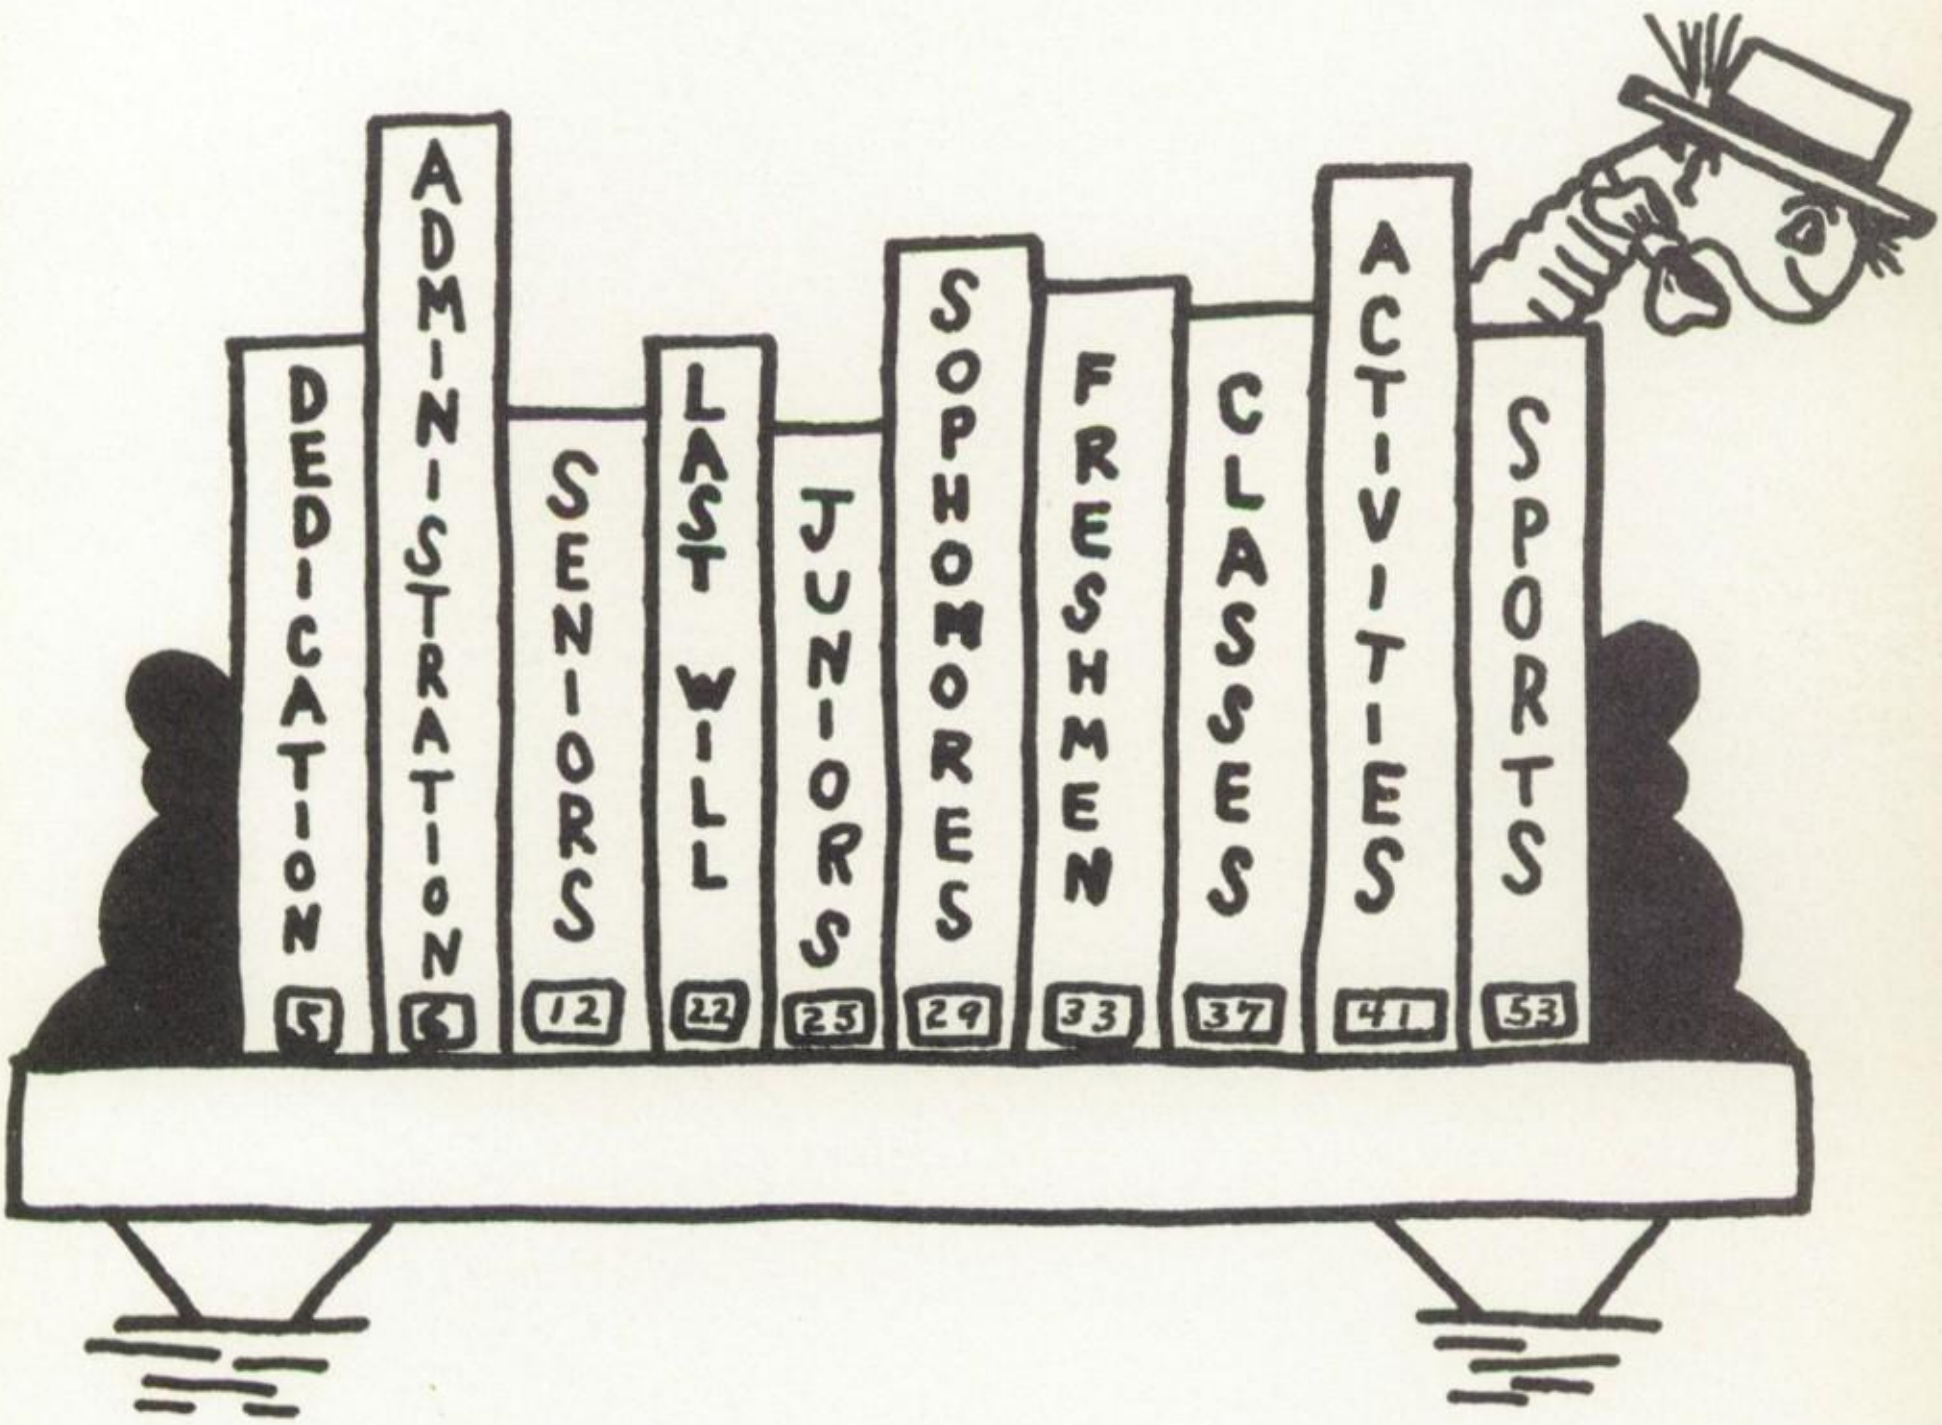
Sophomore Year

The Senior Class of 1955 Presents...



"Waldo's Book Nook"

East Pittsburgh, Pa.

"Remember that football game?" "Yes, but that was nothing compared to . . ." "I remember when . . ." We Seniors have a lot of memories. Of all the good times we've had and all the trouble we've caused . . . The Latin lessons where we treated Caesar worse than he treated the Gauls; The letters we wrote in typing class that wouldn't even have reached the post office; and all the phony excuses we've forged.

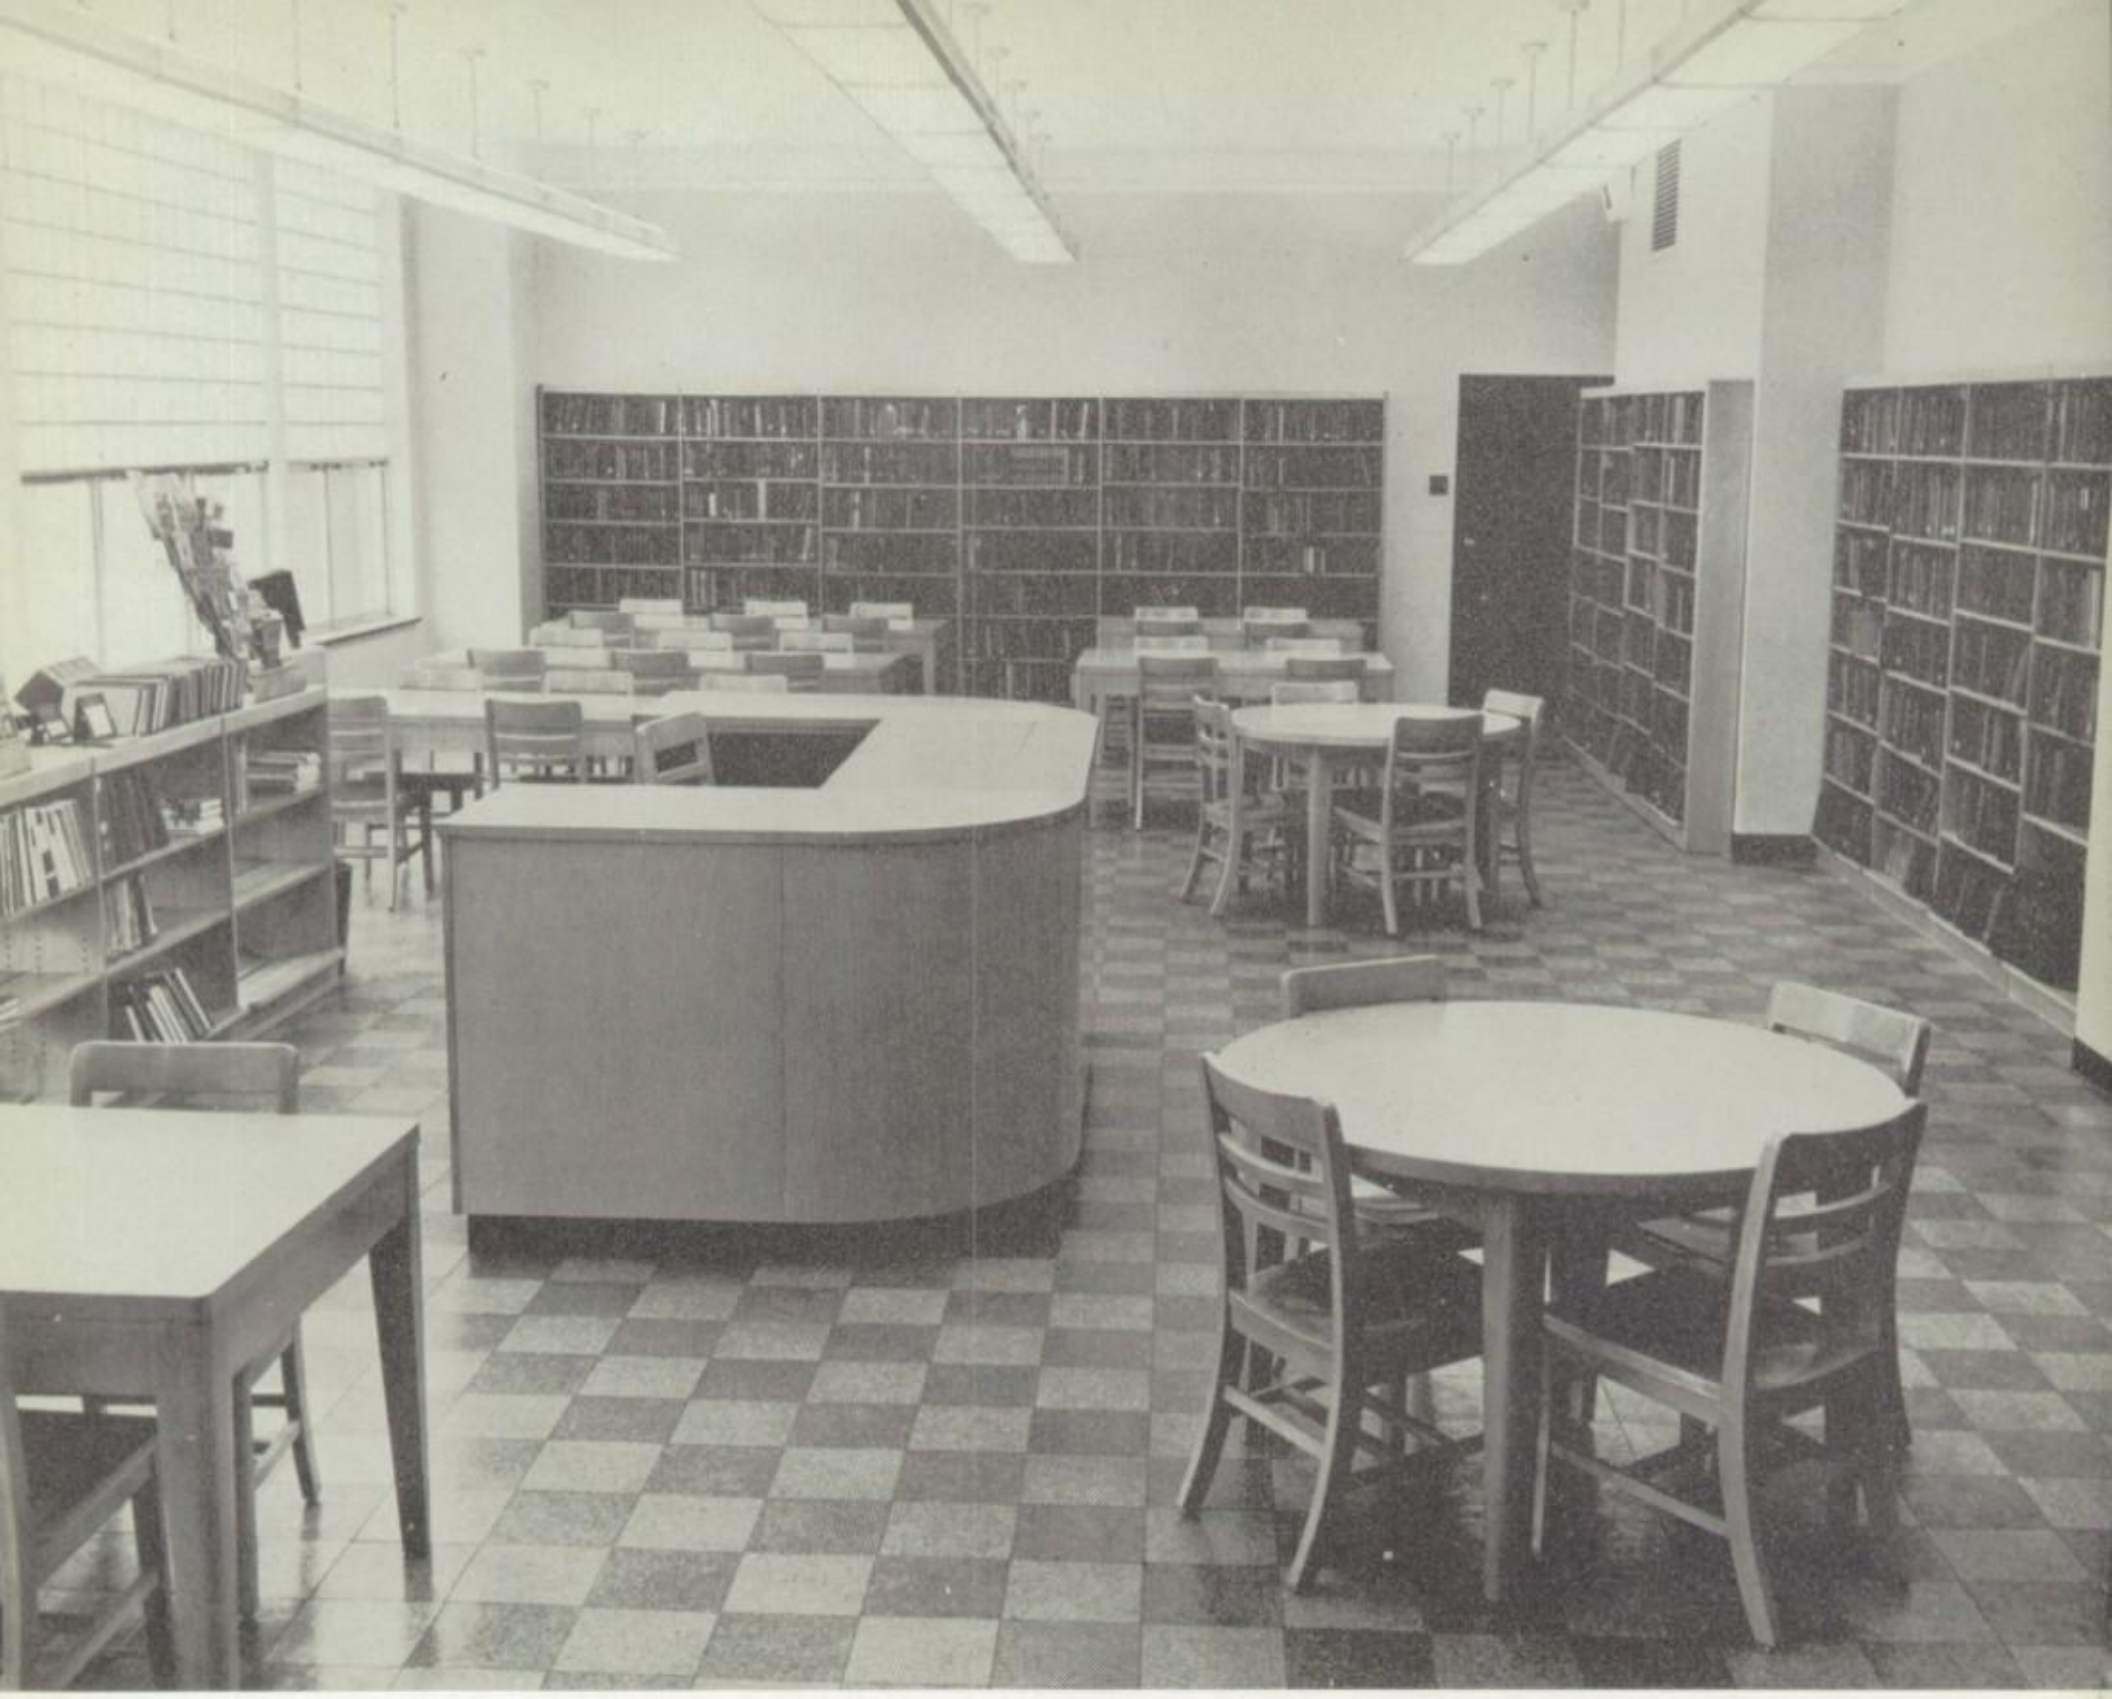
It seems as if we were always looking forward to Graduation. It was a magic word. Now that we have arrived, we're not sure we want it all to end. All the fun and excitement and importance of being a Senior. But for all this looking back, we are really eager to get out on our own. Life will hold so many new and wonderful experiences for us. The school has helped us as far along as it can, and now the rest is up to us.

EX-LIBRIS

Alma Mater

Dear East Pittsburgh; our hearts to thee are holden
By loyal love for each familiar scene;
Thy teachings guide us through our lives endeavor,
Thy memories fond of years gone by.
Thy teachings guide us through our lives endeavor,
Thy memories fond of years gone by.

Thy children we, our love and pride confessing
In this fair land, this pleasant place of home;
And may we strive to bring a richer blessing
To crown thee now, and through years to come.
And may we strive to bring a richer blessing
To crown thee now, and through years to come.



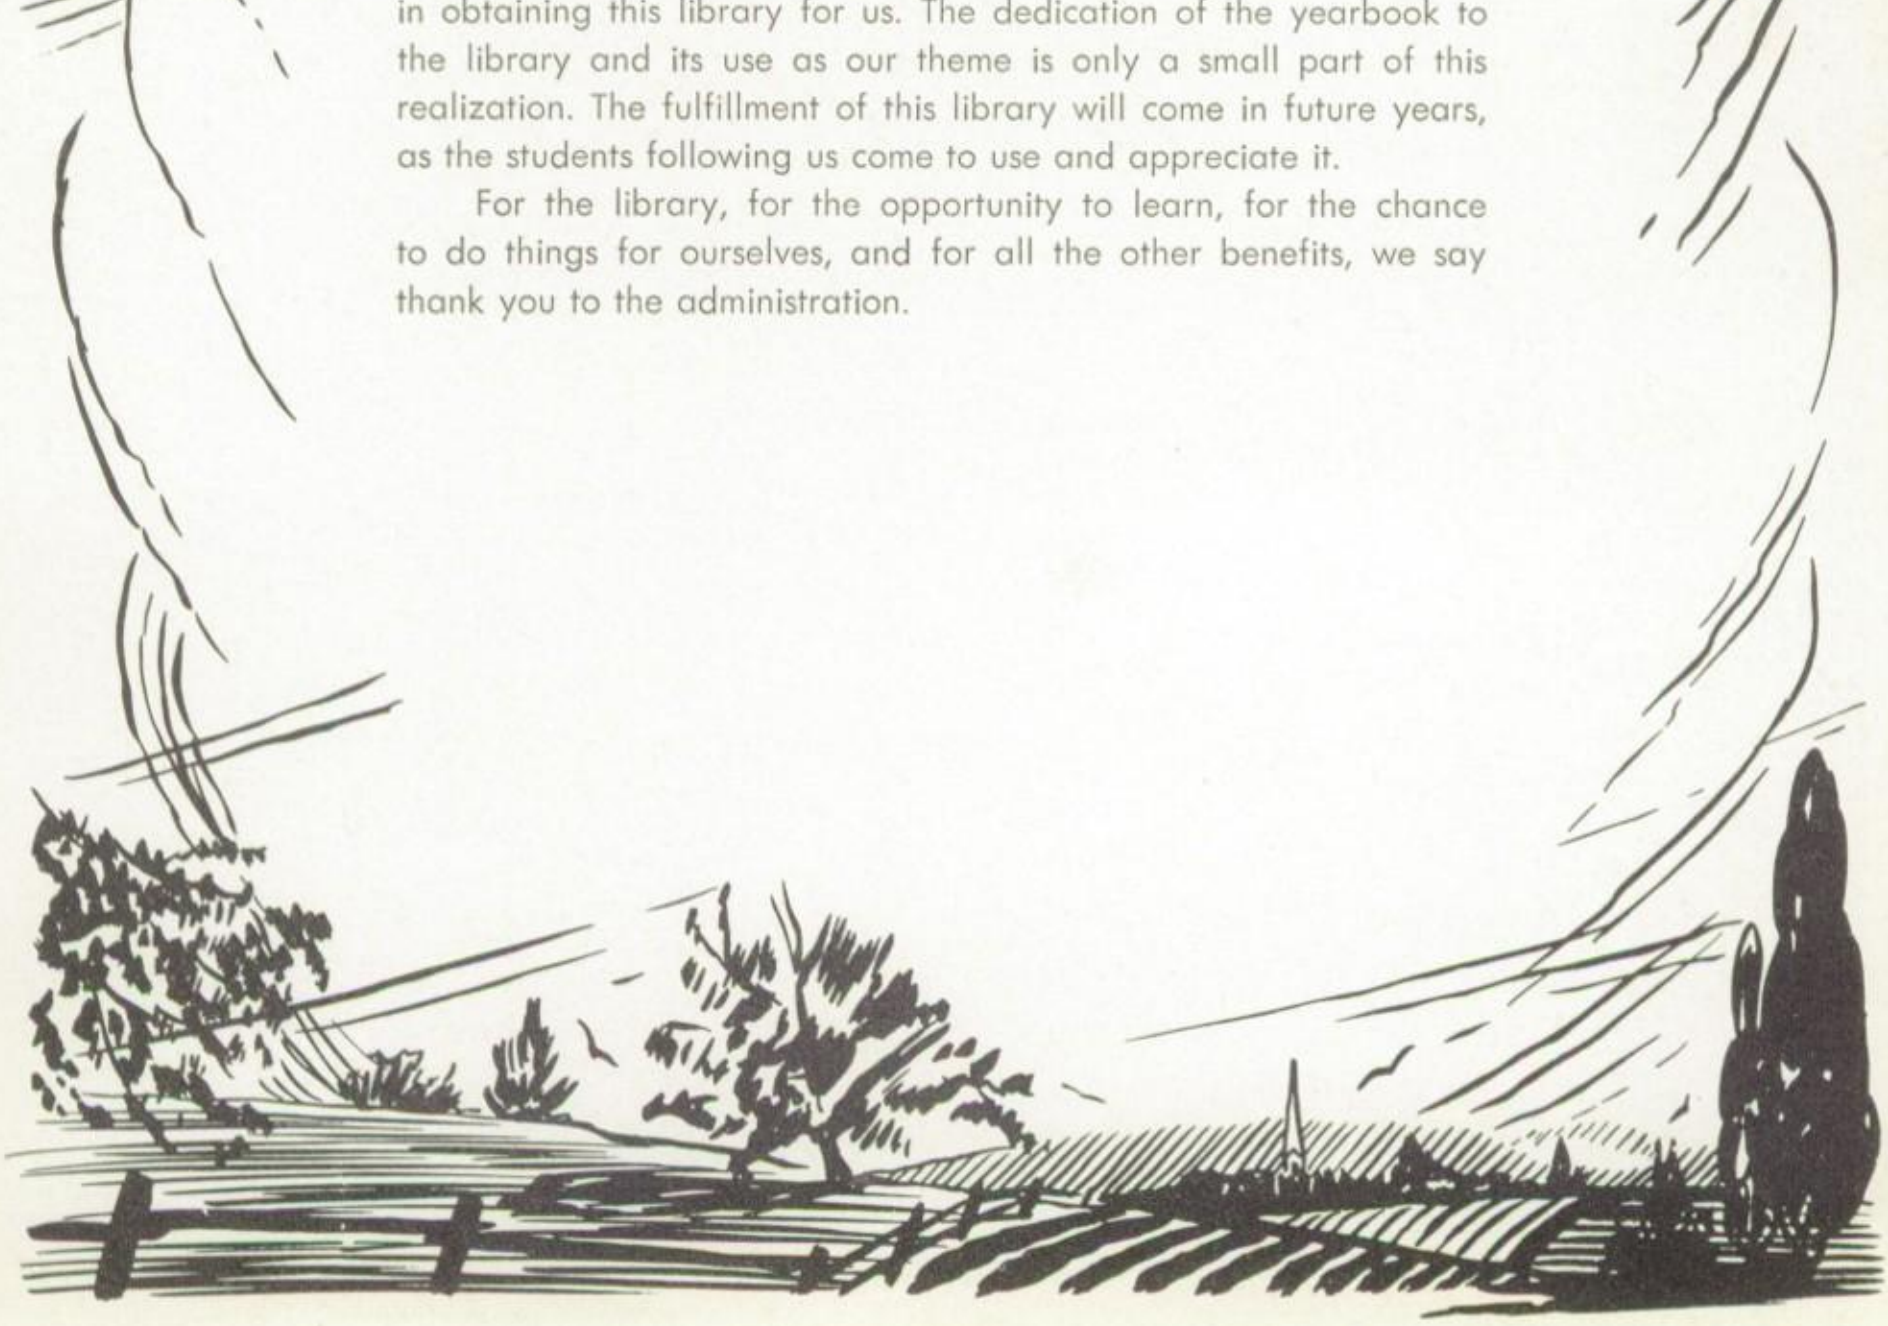
Dedication

We, the students of East Pittsburgh High School, are fortunate in having modern equipment for our use. As seniors, we have had the advantage of using the library for only a year, but still appreciate the help it has been to us. The library, and other improvements around the school, make us proud of our Alma Mater.

This yearbook is dedicated to the new library because it symbolizes the spirit of progress in the school. The open and spacious room is a striking place and a pleasure in which to work. For all its modern de'cor and beauty, practicability has not been sacrificed.

We recognize the work and effort that have been put forth in obtaining this library for us. The dedication of the yearbook to the library and its use as our theme is only a small part of this realization. The fulfillment of this library will come in future years, as the students following us come to use and appreciate it.

For the library, for the opportunity to learn, for the chance to do things for ourselves, and for all the other benefits, we say thank you to the administration.



Superintendent

Dr. Beamer, a graduate of the Pennsylvania State University, is now serving his third term as Superintendent of the East Pittsburgh Schools. He entered the district in 1925 as a teacher of Chemistry and Physics, and in 1929 was made Principal of the Junior-Senior High School. He has always been interested in the field of Science and for a number of years, taught Biology in addition to his duties as Principal of the High School. Dr. Beamer received the degree of Master of Arts and Doctor of Education from the University of Pittsburgh.

To The Class Of 1955:

Graduation from High School is an occasion in which you should feel very proud and happy, in that it marks the attainment of one of your major goals in life. It is, however, only the beginning, for as you face the world you will see many more goals ahead, which will be real challenges for you to attain. As the years go by, the reaching of these goals or aims in life will give you a satisfaction and a desire to move forward. It is the wish of all of your teachers, the administration, and the board of education, that the knowledge, the experience, and the abilities you have gained in school thus far, will make the acquirement of these goals in life much easier and will motivate you to greater efforts.

Your class has the distinction of being the 30th graduating class of East Pittsburgh High School. The young men and women who have preceded you in life have spent many more years in training and preparation to take their places as useful citizens in our industrial community. Many have become outstanding leaders in the business and professional world and have proven their ability by the tasks they have performed. The years of preparation which are necessary for the performance of short tasks where great skill and ability are necessary to emphasize the importance of education and experience to meet the needs of a changing world.

Congratulations on your Commencement and our best wishes for your happiness and success in life.

Sincerely,
Henry G. Beamer

School Board

Behind the scenes of every up-to-date, well-run school, there is an active school board. The signs are evident in constant improvements around the school. The library, band uniforms, driver education course, television facilities, and other educational aids have been obtained for us through their efforts.

Many projects are now in the planning stage that will be of great advantage to the student body. As seniors, we are aware of and are grateful for these benefits.

The Board of Education numbers seven members and meets the second Friday of each month. The officers elected for this school year were: Patrick A. Clougherty, President; William L. Thompson, Vice President; James L. Duffy, Secretary; Michael Poach, Orville Rice, John Marko, Lee F. Comer, Lawrence J. O'Toole, Solicitor.

Principal

Mr. Cirota began teaching here in 1935, and continually took on more and more tasks, such as serving as faculty manager of athletics. In 1951 he became acting principal while continuing his teaching duties in chemistry and physics. This culminated in his appointment as principal early this year.

The Graduating Class of 1955 appreciates the untiring efforts of Mr. Cirota during his four years of leadership.

School Secretary

Mrs. Verda Spangler Burnett is a familiar face in our office. We have always been able to depend on her aid and advice. Miss Spangler received her education at Juniata College, Huntington, Pa.

Senior Class History

Four years ago, three groups of students from different schools started their Freshman year. They were confused and unacquainted with the school building, activities and customs, but soon began planning for their careers, choosing whichever course suited them. After settling down to work, the class organized and held elections. Paul Kelly was elected President, Ray Oyler, Vice President, Janet Mazuer, Secretary and Ronald Auld, treasurer. Home room 107 won the first prize in the Junior High Christmas contest because it was the neatest and best decorated room. Later in the year the class started a long line of activities by holding a dance. The participation of all the students in the dance ended the year with success.

As Sophomores, the class was even busier. Most of the students were chorus members who participated in the operetta "The Fortune Teller." The class was proud of Kay Ryan, who had one of the leading roles. Martha Flint and Ali Murtaza joined the class in their Sophomore year. Martha was talking when she came and hasn't stopped talking yet. Paul Kelly and Ray Oyler again received the two top class offices, with Kay Kontos as Secretary, Janet Mazuer as Treasurer and Kathleen Auld as Class Historian.

In our Junior year we planned even more activities. During the elections a tie occurred in the vote for secretary between L. Brannigan and K. Auld. Ordinarily the President Tom Carrigg would take care of this as a matter of course. But in this case Tom had occasions to turn several shades of red before choosing his girlfriend Laurelee. Tom Carrigg was chosen as President, Kay Kontos as Vice President, Janet Mazuer as Treasurer and Mildred Galla as Class Historian.

And speaking of ties during the sale of magazines Mildred Galla and Liz DePaulo each had the same amount sold on the afternoon the drive was to close. By four o'clock the tie was broken, but both girls were awarded watches for their efforts. Ralph Silvy was an addition to our class after Christmas. The most exciting event of the year was our class play "Smarter and Smoother." It was presented under the direction of Mr. John Good, with Betty Jean Bellas and Tommy Pomper in the lead roles. A joint dinner party with the Seniors ended a very active year, leaving us very eager to become Seniors.

This year we outdid even our Junior class record. Our Senior class officers were:

Ray Oyler—President
Tommy Carrigg—Vice President
Janet Mazuer—Secretary
Kay Kontos—Treasurer
Genevieve Malile—Class Historian

Our Graduation pictures and class rings took up some of our time and most of our money. Our Christmas spirit came from two sources, the sale of Christmas Cards and the aid we gave to the project of buying toys for orphaned and hospitalized children. December 1 was the date of the Senior Play, under the direction of Mrs. Helen Morgan. The name of the play was "Murder in Rehearsal." This mystery turned into a very good play with a surprise ending. The most exciting event was the Prom, a really gala event that was worth waiting for. Later on, a Senior King and Queen presided over a beautiful May Festival. At the very last, there was Graduation. Forty students marched slowly down the aisle to receive their diplomas. Some were sad, and some were happy, but all had fond memories of their school years.

Junior Class History

In our Freshman Year our Class Officers were: President, Ray Jackson, Vice President, Margaret Miller, Secretary, Connie Cooley, and Treasurer, Doris Oyler.

Our first dance was well attended, and everyone seemed anxious to participate in every activity.

Our Class officers for our Sophomore Year were: President, Ray Jackson, Vice President, Robert Wilson, Secretary, Doris Oyler, and Treasurer, Delvo Behbi. We also had a class dance this year.

We excitedly started our Junior Year by electing the following officers:

President . . . . . Robert Wilson
Vice President . . . . . Ronald Sundin
Secretary . . . . . Mary Lou O'Hara
Treasurer . . . . . Doris Oyler

We then began our Magazine Sales. Although it was a struggle, and we couldn't sell as many magazines as we would like to have sold, we did fairly well. $541 worth of magazines were sold with Margie Tomer receiving first prize. Our play was loads of fun, as well as work, and now we're looking forward to that Big, Big night, the Prom.

Vice President . . . . . Ronald Cervenak
Secretary . . . . . Joan Churik
Treasurer . . . . . Donna Kuzma

Having gained experience with their Freshman dance, the two dances held this year were well organized and successful. Now they have made their presence in the school known and are ready to continue with their busy Junior year.

Student Council

The Student Council had a very active year under the leadership of their sponsor, Miss Keefe, and President Paul Kelly. The Council represents the student body, and consists of a student from each home room plus several honorary members. Their meetings are held every Wednesday.

Among their many different programs, the annual drive for the Crippled Children's Fund was even more successful than the year before. A Christmas program of buying gifts for hospitalized children was also organized and the Goodwill Campaign was prominent in their activities. Add to this many other projects and you have an outline of the Council's work in the past year. This Student Council has a fine record to review.

Behind every yearbook there are many hours of work by both the editorial and business staffs. Our business staff really went all out this year and far surpassed their goal. As for the editorial staff the "Crystal" is proof of their efforts.

It is hoped that the "Crystal" of 1955 is a yearbook of which you will be proud and which will bring you increasing pleasure as the years go by.

Green And White

The Green and White was mimeographed this year and distributed free of cost. The six issues that were published were eagerly awaited by the students. The paper included an interesting assortment of news, feature stories, fashions, activities and jokes.

For "Who's Who" and "What's What" around any school there must be a school paper—ours is called the "Green and White."

This club is composed of senior commercial students. Under the direction of Miss Munjus the club has a full and interesting schedule. Besides two social events a year, they take various field trips to business houses and schools and art exhibits. Each member does the secretarial work for one of the teachers. The members also try for typing and shorthand certificates. The president this year is Marcella Karl.

The chorus was very busy this year, participating in the Christmas program at school, Rotary Club Programs, Christmas caroling, the May Festival, and finally, Commencement. Under the direction of Miss Marie Perego and accompanied by William Montgomery, this full schedule was successfully completed.

The majorettes assisted in the new look by changing many of their routines and putting a lot of spirit into their twirling. Success was achieved through the co-operation of Carole Peterson, Lolly Brannigan, Gerry Baker, Kay Ryan and Velda Pfeiffer, who alternated as head majorettes.

Cook, M. Kavo, S. Hagepanos, J. Duffy, M. Kavo, Coach Dave Flood.

Football Team

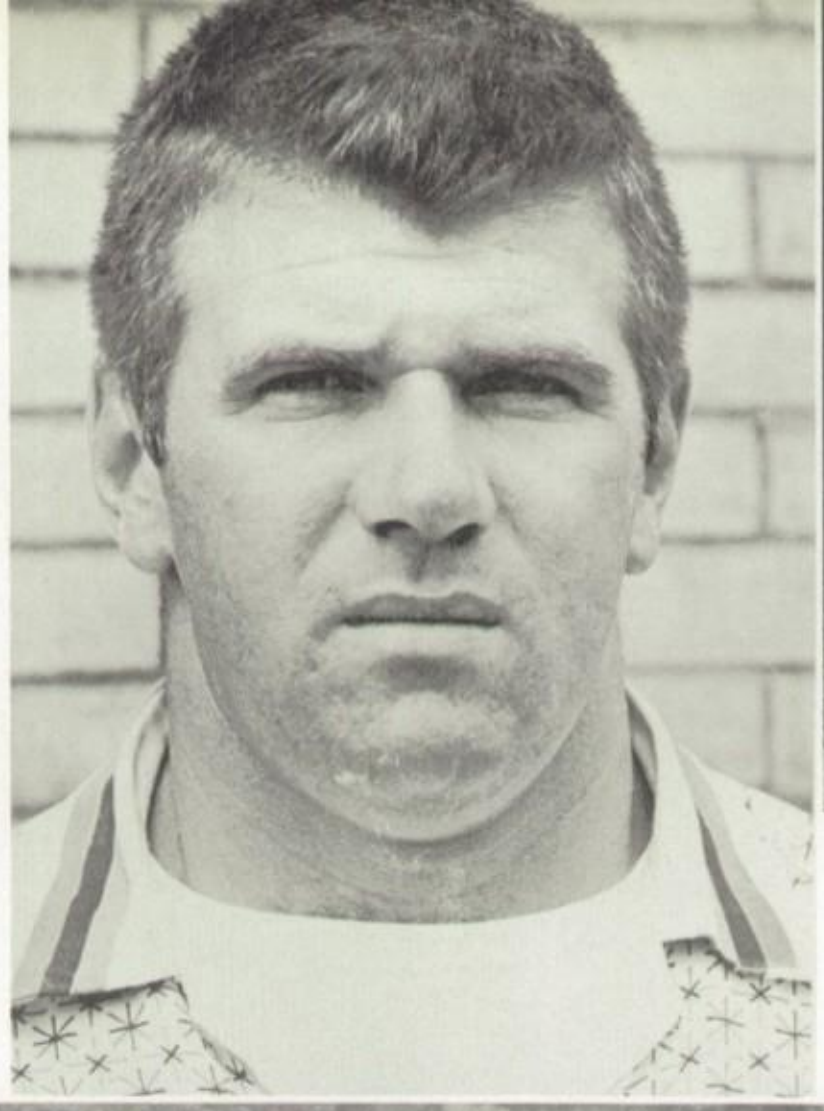
Although the team had a poor season, record-wise, their spirit was never down and the boys tried hard at every game.

They played several Class A teams and showed a good account of themselves. With a few breaks in the other direction some of the close ones might have gone the other way. Although the team is losing three or four regulars next year, they hope to improve on this year's record.

Playing football is not all glory by a long shot. It is a lot of hard work involving many, many hours of practice. It takes team spirit to keep trying so hard when the scores do not tally up. One thing, you cannot say that they did not really try.

A lot of credit also goes to the coaches—Mr. Flood and Mr. Mihalco. Theirs is no easy task. Thanks.

D. Cook on the go.



Looks like he's on his way.

Things aren't as bad as they look.

Going, going, gone.

After playing good ball against tough exhibition teams and winning the first few league games, the boys slowed down and dropped a few close ones. Their record at one point was a respectable seven wins and two losses. After losing a three-point decision to East McKeesport, they dropped three league games.

The boys have been putting out all the way and hope to make a comeback.
